CATEGORY RESTRICTIONS

Due to recent excessive demand on certain categories within the publication it has become necessary to restrict the number of entries within some classifications. Most classifications are therefore restricted to three or four entries, we apologise if this causes any inconvenience. We will therefore only accept entries within the restricted classifications on a first come first served basis. Confirmation of your classification if successful, will be sent by post within the following days.

Refusals will be notified immediately by telephone if the allocation for that category has been reached.

**IF YOU HAVE ANY FURTHER QUESTIONS PLEASE DO NOT HESITATE TO CONTACT OUR
